Education That Works

It's that time of year again!!!

It is with great enthusiasm that Memphis Catholic Middle School & High School sends your company this letter to inform you of a very special sponsorship opportunity that is available to your company. We are holding our 3rd annual Memphis Catholic, "Education That Works" OUT 5K & Spring Festival on Sunday, April 25th, 2010 around our midtown campus and are asking for your help in sponsoring the event. Last year's event was a huge success with more than 400 participants taking part in the 5K walk/run race and festival activities; and, this year will be even bigger and better.

By sponsoring the "Education That Works" OUT 5K you are helping provide more students the opportunity to participate in our work-study program that not only assists lower income students to afford a private education but allows them to gain valuable corporate experience while in high school that will motivate them to pursue careers in college and to return to Memphis to become valuable members of the work force. The focus is not only on 'what' students learn but on 'how' they learn it. The challenge is to better prepare students who are economically disadvantaged for college and the workforce beyond. The result is an affordable and unique educational opportunity that provides sufficient revenue to operate the school as well as a better prepared workforce for the business community.

Please review the enclosed sponsorship level descriptions to see the additional benefits your company can receive by participating in this event and we hope your company will be able to participate in a matter that is most comfortable to you. If you can join us in helping sponsor this fun-filled event benefitting the students of Memphis Catholic and the "Education That Works" program please fill out and return the enclosed "Sponsorship and Registration Form" and mail your payment to Memphis Catholic 5K Walk/Run at 61 N. McLean Blvd, Memphis, TN 38104.

We can't thank you enough for supporting our cause and the students at Memphis Catholic Middle & High School. If you have any questions about this year's event, please contact Dani Ray Barton at (901)276-1221 or drbarton@memphiscatholic.org.

Sincerely,

Jim Pohlman
